PROGRAMME

WITH SESSION THEMES

CONFERENCE OBJECTIVES:

- to stimulate a service differentiation and offer practical guidance through experienced library and information professionals whose expertise have always been in the **frontlines of change**, in terms of, library management, supervision and administration;
- to acquire a worldwide view, be equipped, and, establish web-based/online presence and space through libraries' offers of both **local and international information and networking**; and,
- to brainstorm, benchmark and draw recommendations that will best sustain and facilitate the exceptional function and crucial role of libraries' circulation and reference work for successful repeat services rendered by libraries and library personnel.
